PADS ARE INCLUDED

## 6995P

"Solo" Integrated Padded Football Girdle

- 90% polyester microfiber/10% elastane breathable fabric with moisture management wicking and anti-bacterial properties
- Ergonomically designed for optimal protection, performance and comfort
- Absorption resistant nylon mesh panels on tail bone
- Six self-material pockets in girdle with built-in hip, thigh and tail pads – hips and tail pads have ventilation features
- Sewn-in hip and tail pads made of perforated EVA for breathability and form fit properties for protection
- Thigh pads also made of EVA, but have plastic inserts for added protection and durability
- Flat lock construction throughout for durability
- Gripper elastic around leg bottoms to minimize rising up legs
- On seam hidden cup pocket in front gusset with flap to secure cup position
- Heavyweight polyester elastic waistband with logo
